We ensure a broad and balanced curriculum that provides young people with the best possible learning opportunities and experiences. We hope that all pupils are able to realise their full potential through the promotion and recognition of achievement and excellence. We provide effective support systems for all pupils, which promote personal and social development and underpin academic achievement. We also provide effective support systems for all pupils, which promote personal and social development and underpin academic achievement. A welcoming, safe and caring environment is provided in which each pupil is valued and supported. We aim to improve the quality of learning and teaching, through the effective organisation and management of resources and ensure that the school's promoted staff, provide high quality leadership, management and support. We aim to improve the quality of educational experiences through a programme by continuing professional development for all staff. We build and maintain effective partnerships between the school and its' parent body, external support agencies and its' wider community. We equip pupils with the foundation skills, attitudes and expectations required to prosper in a changing society and to encourage creativity and respect for others and actively promote healthy attitudes and behaviours in the whole school community.
