F28HS2 Hardware Software Interface
Tutorial 1

A) Write a C program to find the largest and smallest of a sequence of integers input from the keyboard and ending with 0.

B) Write a C program to merge two files of ascending order integers into a third file. For example:

Input file A: 1 3 4 7 9 11
Input file B: 2 5 6 8 10 12 13 14

Output file C: 1 2 3 4 5 6 7 8 9 10 11 12 13 14
